

The Festivities Foundation, a non-profit organization was founded by Roe Chlala, an owner of Festivities, an award winning special event design and catering company located in Norwalk, Connecticut. The mission of the foundation is to raise funds for agencies that support safe and healthy homes.

Our first project is "Pass on the Love" – Celebrate, Donate, Support

Celebrate:

For over 37 years, Festivities has been privileged to be part of milestone celebrations in the lives of our community. These celebrations whether social, corporate or charitable, hosted in love, are what inspired us to launch our foundation's first project, "Pass on the Love". "Pass on the Love" provides a platform to be part of a community that shares the joys of celebrating milestones and traditions. Through donations of party and home accessories to our retail store, our goal is to create a sustainable repurposing of items from happy occasions. The proceeds from these sales will, in turn, fund our mission of aiding programs that support safe and healthy homes.

Donate:

We invite you to think of us when hosting an event, redecorating your home or moving. The "Pass on the Love" project uses a unique resale business model, similar to that of a high-end consignment shop. However, all our items are donated. We acquire donations of gently used items from celebrations such as weddings, bar/bat mitzvahs, anniversary parties, and birthdays, corporate and charitable events. We also welcome items from venues, private collections and industry partners.

These items are sold as a curated collection at our retail store located on our campus at 2 Wilton Ave. in Norwalk and on community boards on Facebook. All profits from the sale of these items are used to support local organizations that provide services to families in crisis, including women and their children who are survivors of domestic violence.

Our first two recipient agencies are [The Center for Family Justice](#) and the [YMCA Greenwich's Domestic Abuse Services](#).

Support:

We look forward to welcoming you to our growing community of volunteers, donors and shoppers who make our work possible.
